

Privacy Policy

Effective Date: [Insert Date] **Last Updated:** [Insert Date]

Mirage Technologies Ltd ("Mirage," "we," "us," or "our") operates Miragehub (the "App" or "Service"), a faith-integrated relationship and community platform. This Privacy Policy explains how we collect, use, share, and protect your information when you use Miragehub.

By using Miragehub, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect

1.1 Profile Information

When you create an account, we collect information you provide directly, including: - Name - Profile photos - Bio and personal description - Church affiliation and faith-related information - Other details you choose to add to your profile

1.2 Location Information

With your permission, we collect location data to power matching and community features, such as showing you nearby users, churches, or events. You can control location access through your device settings at any time; disabling it may limit certain features.

1.3 Messages and Communications

We collect and store the content of messages you send through the App to enable chat and communication features between users.

1.4 Verification Information

To support trust and safety on the platform (including church-affiliated verification tiers), we may collect: - Government-issued identification documents - Proof of church affiliation or membership - Other documents submitted to verify your identity or community status

Verification documents are used solely for identity/affiliation confirmation and are handled with additional security safeguards described in Section 4.

1.5 Payment Information

If you make purchases or subscribe to paid features, payment details (such as card information) are collected and processed by our third-party payment processor(s). Mirage does not directly store full payment card numbers on its own servers.

1.6 Automatically Collected Information

We may also collect device information, app usage data, log data, and analytics data through third-party analytics providers to help us understand usage and improve the Service.

2. How We Use Your Information

We use collected information to: - Create and manage your account - Provide matching, messaging, and community features - Verify identity and church affiliation for trust and safety - Process payments for paid features or subscriptions - Personalize your experience based on location and preferences - Communicate with you about your account or the Service - Monitor, analyze, and improve platform performance and safety - Detect, prevent, and address fraud, abuse, or violations of our Terms

3. How We Share Your Information

We share information with:

- **Other users:** Profile information (name, photos, bio, church affiliation) is visible to other users as part of the App's core functionality. Messages are shared only with the intended recipient(s).
- **Payment processors:** Payment information is shared with third-party payment processors solely to complete transactions.
- **Analytics providers:** We use third-party analytics services to understand app usage and performance. These providers receive usage and device data, not message content or verification documents.
- **Legal and safety purposes:** We may disclose information if required by law, to protect the rights and safety of Mirage, our users, or the public, or to investigate potential violations of our Terms.
- **Business transfers:** In the event of a merger, acquisition, or asset sale, user information may be transferred as part of that transaction.

We do not sell your personal information to third parties for advertising purposes.

4. Data Security

We implement reasonable technical and organizational measures to protect your information, including: - Encrypted storage and transmission where applicable - Restricted internal access to verification documents and sensitive data - Secure handling of payment data via PCI-compliant processors

No method of transmission or storage is 100% secure, and we cannot guarantee absolute security.

5. Data Retention

We retain your information for as long as your account is active or as needed to provide the Service. Verification documents are retained only as long as necessary for verification and safety purposes, after which they are deleted or anonymized, unless a longer retention period is required by law.

6. Your Rights and Choices

Depending on your location, you may have the right to: - Access, correct, or delete your personal information - Withdraw consent for location access via device settings - Request a copy of your data - Object to certain processing of your data - Delete your account, which will remove your profile from active use (subject to legal/safety retention requirements)

To exercise these rights, contact us at **support@themiragehub.com**.

7. Children's Privacy

Miragehub is intended for users who meet our minimum age requirement (typically 18+, given the platform's focus on dating, relationships, and marriage support). We do not knowingly collect information from individuals under this age. If we learn we have collected data from an underage user, we will delete it promptly.

8. Third-Party Services

Miragehub may use third-party services (e.g., payment processors, analytics providers, cloud hosting) that have their own privacy policies. We encourage you to review their policies, as we are not responsible for their practices.

9. International Data Transfers

If you access Miragehub from outside Nigeria, your information may be transferred to and processed in Nigeria or other countries where our service providers operate. We take steps to ensure appropriate safeguards are in place for such transfers.

10. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify users of material changes by posting the updated policy on this page and updating the "Last Updated" date above.
